

ANZI Pacific Forum 2021

Lions Constitutional Area 7 : Australia, New Zealand, Indonesia, New Caledonia and the Pacific Region

Newsletter no: 2—January 2021

Registration forms for each of the participating regions have now been finalised and are included in this newsletter, together with comprehensive guidelines. Please read through the guidelines carefully before completing the registration form for your country.

We have now finalised venue details at the Pullman Cairns International Hotel and are comfortable with the arrangements agreed on, including the hotel's COVID-19 policy, as detailed below.

There are many choices of accommodation in Cairns apart from the Pullman, ranging from five star right through to motel and backpacker. Below is the link to the Booking.com website, where you can check through the range and availability of accommodation in the city.

Pullman Cairns International Hotel's COVID-19 reassurances

Delegates are assured that, should the Forum be cancelled due to COVID-19, the Pullman Cairns International Hotel will refund 100% of the forum and accommodation costs that have been paid.

The following is an excerpt from our agreement with the hotel, regarding COVID-19 policy:

'We have elevated our health and safety norms even further, with the newly launched unique cleanliness prevention label: ALLSAFE by Accor Live Limitless. The following policies have been implemented in our hotel:

- Spacing of 1.5 metres between delegates.
- Maximum capacity of 1 person per 4 sqm.
- Increased sanitation.
- Updated COVID safe menu offerings.
- Designated COVID safe compliance officers onsite.'

Forum subjects will cover a wide range of topics to appeal to you

Planning is well underway to provide a forum program that will cover a wide range of topics which will appeal to, and provide plenty of choices for, our attendees, whether they are Leos, new Lions or longer serving members - regardless of age.

Forums that will be conducted include a Leo Summit, Young Leaders in Lions, and "Leadership Pathways" which will take you on a journey from Club Member to Club Leader, and Cabinet Officer and Beyond should you so wish!

Sunday is the perfect opportunity to give all fathers a Fathers Day present of a "Men's Health Forum", which will follow an earlier Women's Health Forum! And there will be forums that showcase "Successful Club Projects" so that you can take back great ideas to share with your club members.

We are also expecting forums from some of our Australian Lions Foundations as well as Lions Clubs International Foundation (LCIF) and other forums focused on Service, Membership, Leadership, PR and Social Media tips to promote your club - the list goes on!

And all of this delivered with Kindness and Diversity in the beautiful and lush surrounds of tropical Far North Queensland!

Program Coordinator

ANZI Pacific Forum 2021 Theme: 'Tropical Kindness – Reef Rainforest Outback'

Beaches from Cairns to Port Douglas

While Cairns itself has no sandy beaches, the coastline north to Port Douglas is blessed with many beautiful beaches well worth visiting. Two are featured here. Palm Cove (*below left*), just 22kms from the city, is lined with shady coconut palms and a great selection of accommodation and restaurants fronted by magnificent giant paperbark trees. Ellis Beach (*below right*), just 5kms further north is quieter, with camping, more moderate accommodation right on the beach and a Bar & Grill which features live music at the weekends.

Green Island

Green Island (*right*) is just a 45 minute ferry ride from Cairns. The smaller of our two close islands, it is the only coral cay on the Great Barrier Reef covered in tropical rainforest. Just 15 hectares in area, 55 species of birds have been spotted, with 15 species nesting regularly on the island. There is a resort on the island. Swimming and snorkelling are popular, with a glass bottom boat trip for those who don't want to get their feet wet!

Fitzroy Island

Also a 45 minute ferry ride from the city, Fitzroy Island (*below*) covers 339 hectares, with its highest point 269 metres above sea level. Covered in rainforest, the island has four walking tracks. There is a well appointed resort with pool, as well as the Fitzroy Island Turtle Rehabilitation Centre (*right*). The Great Barrier

Reef is home to six of the world's seven marine turtles. Animals are brought into the rehabilitation centre suffering from disease and/or injuries caused by boats, discarded fishing gear or ingested plastic that is mistaken for food. The Centre is a voluntary not for profit organisation and well worth a visit.

Kuranda—'the village in the rainforest'

Kuranda is a picture perfect village located amidst the natural beauty of World Heritage Rainforest 330 metres above sea level. Located 25km to the north-west of Cairns it has an amazing history. It was a timber cutters' town throughout most of the early 1900s and a haven for hippies in the late 60's. Nowadays it is a

popular tourist attraction with a large variety of shops and cafés. Of particular interest are places such as Doongal Aboriginal Art Gallery, Kuranda Heritage Markets (open daily), Australian Butterfly Sanctuary, Kuranda Birdworld, Kuranda Koala Gardens and the Rainforestation Nature Park, to name just a few.

(above) there are three ways to get to Kuranda: driving the Kuranda Range road; taking the Kuranda Scenic Railway; or glide over the rainforest canopy on the Skyrail Rainforest Cableway—all spectacular trips!

(clockwise from above left): one of the Kuranda market stalls; a quirky Kuranda shop; the unusual Doongal Aboriginal Art Gallery; a Ulysses butterfly at the Butterfly Sanctuary; the Pamagirri Aboriginal Dance Group at Rainforestation; Barron Falls in full flow; and a cuddly koala at Rainforestation.
